The Travel Card/CBA Log is to be used to help reconcile transactions (purchase/credits) made during the billing cycle by matching the paper Credit Card statement received from Bank of America to the log and documentation received from the merchants for transactions. By signing this log you are certifying that each charge/credit was for official state business and complies with all appropriate rules and regulations. Furthermore, you are certifying that each charge/credit has been reviewed, approved and verified as received or reported as a disputed item.
